

ANN KEMP
... Fisher Gold Star Girl

McCAULEY 4-H'ER NAMED FISHER GOLD STAR GIRL

Ann Kemp, daughter of Mr. and Mrs. Fred Kemp of McCauley, has been named Fisher County Gold Star Girl for 1963 according to Home demonstration Agent, Alice L. Kemp.

The Gold Star Award is presented by the Texas Agricultural Extension Service and is the highest award which can be obtained on county level. To be eligible, the 4-H member must be 13 years old or older before January 1, have completed at least three years of 4-H club work including the current year and must not have previously received this award.

Selection of the Gold Star Girl was made by a committee. The committee this year was Mrs. Howard Niles, treasurer of H. D. Council, Mrs. Carl Kreidel, an adult leader and Mrs. Jerry Hootenpyle, former 4-H member and county Gold Star Girl in 1957. The committee judges the girls records and gives a score on the record. This record is of all 4-H work the member has ever done. The committee then visits each girl to see 4-H demonstrations in progress at the present time.

Ann is fourteen year old and has been in 4-H club six years. She is a sophomore in McCauley High School where she is active in F. H. A., basketball, volleyball and the pep squad. She is also active in the First Baptist Church of McCauley where she teaches a Sunday school class, assists with vacation Bible school and is active in the church music program.

Demonstrations Ann has completed in 4-H are clothing food preparation, food preservation, bedroom improvement, homestead improvement and leadership.

OLD GLORY GIRL RECEIVES STONEWALL GOLD STAR AWARD

Nancy Vahlenkamp has been named Stonewall County's 4-H Gold Star Girl. She is the daughter of Mr. and Mrs. Herbert Vahlenkamp of Old Glory. Nancy holds the distinction of being the girl in the history of Stonewall County 4-H that has won two state contests. She nearly made it three, as she was runner-up this year in the State Poultry Contest, which would have meant a trip to the National 4-H Congress in Chicago.

Nancy's projects have been Poultry, Leadership, Swine, Electric, Foods, Gardening, Home Management, Clothing, and Recreation. She is 16 years old and has been in 4-H going on six years.

Nancy has entered many County, District, and State Contests, placing first in District in Poultry Marketing Demonstration in 1962 and 1963. This year she and her brother, Marvin, went on to win the State Poultry Marketing Demonstration. In 1962 she won the State Poultry Fact Finding Contest, and won a trip to Kansas City, Missouri, for this. She has had from 100 to 350 laying hens and 50 broilers a year as her poultry project for the last several years. She has won blue ribbons in the County Broiler Show and in the State Fair of Texas.

Nancy's swine projects have been Sears gilts and feeder hogs. Her garden and food projects have been helping to supply their home with fresh and

PIPERS TRAVEL TO POST FRIDAY FOR 7:30 ENCOUNTER

After taking the past week end off the Pied Pipers will journey to Post Friday night to close out the practice half of their schedule. The 7:30 game will be the Pipers last non-conference effort before they open district warfare the following week at Stamford.

The Post eleven will take a 4-1 record in the encounter as they suffered a 15-0 loss last week to Floydada. They have given up 21 points in their five outings, downing Martin, Ralls, Plains and Abernathy.

Post runs from a Pro-Type

offense using a split end and a "lanker. Their top offensive bow is their highly rated quarterback, Pat Cornell, who does their kicking, punting, runs the keeper well and is a top passer. The Pipers rate him as the best quarterback they have seen this season.

The probable starting lineup for Post will be left end, Danny Pierce, 167 pounds; left tackle, Charlie Brown, 195 pounds; left guard, Danny Odom, 140 pounds; center, Pat Sullivan, 182 pounds; right guard, Jack Braddock, 196 pounds; right tackle, Ricky Little, 195 pounds; right end, Ronald Simpson, 134 pounds; quarterback, Cornell, 162 pounds; fullback, Benny Owen, 158 pounds; halfback Butch Cross, 154 pounds; and Wingback, Wendell Johnson, 153 pounds. On defense, Post will replace Johnson with 230 pound Billy Mitchell, giving their four man defensive forward wall an average weight of 203 pounds.

Cornell does most of his passing to Simpson.

DISTRICT 6-AA

Hamlin, Ballinger and Stamford remain the only undefeated clubs in District 6-AA as the season nears the mid-way mark. The district's stand was helped last week as its teams won three out of four contests, bringing the season totals up to 20-5-1.

Last week's results were:

Anson 14, Clyde 12.
Wichita Falls Hirschi 26, Haskell 0.

Winters 37, Coleman 0.
Ballinger 12, Colorado City 0.
Hamlin and Stamford idle.

This week's schedule:

Anson at Colorado City.
Ballinger at Coleman.
Hamlin at Post.
K. Snyder at Stamford.
Haskell, Winters open.

B&PW Club Holds Breakfast Today To Observe 'Week'

The Business and Professional Women's Club met Tuesday evening in the primary cafeteria for a dinner meeting and program presented by a club member, Mrs. A. A. Hackley.

Mrs. Hackley presented colored slides of her recent European tour.

Mrs. Clifford Stuart, first vice president, presided.

The club will observe National Business Women's Week with a breakfast today (Thursday) at 7 a.m.

The membership committee, with Mrs. Stuart as chairman, was in charge of the program. Others on the committee were Mmes. E. M. Wilson, Kelly Scott, Joe Norton, and Miss Oleta Avants.

Lennis Smith was a guest.

Anson Downs Jr. High Here Tuesday

The Anson Cubs defeated the Mighty Mice here Tuesday evening 6-0. The Anson Junior High team is one of the strong ball clubs in the area and has won all of their games.

The eighth grade junior high team will play again here Tuesday evening as they meet Haskell.

JAYCEES TO CONDUCT PUNT, PASS, KICK CONTEST SATURDAY

C. R. Dansby Jr., Competition Director for the Hamlin Punt, Pass and Kick Competition for grade school boys has warned that only a few days remain in which Hamlin area boys can register for the test of football skills which could lead to a Washington, D. C., and Dearborn, Michigan "Tour of Champions" and an appearance at the National Football League Championship game.

"Registrations will close Friday evening, October 11," Mr. Dansby pointed out, "and none can be accepted any later, since we must draw up our competition lists and get everything ready for the big program on Saturday, October 12. The competition will be held at the Pied Piper Football Stadium starting at 2 p.m.

Headquarters for the Punt, Pass and Kick Competition, open to all grade school boys eight through 11, is at Connally Ford Sales. Entrants must be accompanied by a parent or guardian. There is no charge for registration nor is any special equipment needed. Competitors will vie with each others of their age groups in distance and accuracy competition include Dallas Cowboys and kicking (using a kicking tee) of footballs. There is no body contact.

Prizes in the Hamlin competition include Dallas Cowboys jerseys, jackets for the top winner in each age group, football helmets for second place winners, and autographed footballs for third place winners.

Area winners, determined by comparing scores of all state winners, will receive expense-paid trips for themselves and their fathers and mothers to National Football League to determine the eight finalists. The National finalists and their parents will receive expense-paid trips to the White House in Washington, D. C., and to the Henry Ford Centennial at Dearborn, Michigan. This will be followed by a trip to the championship game of the National Football League, where the National winner in each age group will be determined by a half-time competition in the crowded stadium.

The Hamlin Punt, Pass and Kick Competition is sponsored by Connally Ford Sales, with The Hamlin Jaycees as co-sponsor. The program, in which 431,921 boys competed throughout the country last year, is sponsored nationally by Ford Division of Ford Motor Company and the National Football League.

He has been leader of his club several times, and was also a delegate to the District 3 Council. He attends the Lutheran Church, and is a star player on the Old Glory High School basketball team.

COMING OCTOBER 21—Miss Lona Fabiola, European star, is seen entering the Big Top of the Kelly Miller Circus for the grand entry march. This large wild animal circus will appear in Hamlin on Monday, October 21.

JAYCEES TO SPONSOR CIRCUS HERE FOR TWO PERFORMANCES

This year, the Al G. Kelly and Miller Bros. Circus, which will appear in Hamlin on Monday, Oct. 21 has modernized their performance to appeal to the adults as well as the children, realizing the television spectaculars like International Showtime, Ed Sullivan and the DuPont Hour have been well received by the adult audience.

The Al G. Kelly and Miller Bros. Circus has obtained for their performance this year some of the best of the acts appearing with the international circuses. One of these European features is the sensational act, direct from Circo Poblano in Spain, the Alexandras, who perform on the horizontal bars hung high in the circus tent, swinging gracefully to and from the bars, passing in mid air and leaving the crowd breathless.

Among the other thrilling features with the nation's largest circus will be such cosmopolitan acts as the Flying Esquedras acrobats on the high trapeze, the Peabody Troupe of jugglers, the Riding Loyals, bareback riders supreme and direct from Cirque Callo, Empress Leota, old animal trainer, subjugating leopards, panthers and wol-

An array of trained animals will be seen with the Al G. Kelly and Miller Bros. Circus at both performances at 3:30 and 8:30 p.m. Some of the animal displays will include three herds of elephants, dancing llamas, pirated liberty horses and poies, dexterous seals and dancing horses, presented by the questrian, Senor Rafael and featuring for the first time in Mexico, Capt. Fred Logan and is care of jungle nubian lions.

Doors to the largest traveling menagerie annex containing such oddities as rhinoceros, giraffes, Indian tigers, hippopotamus and an assemblage of cages of rare and exotic beasts, will open one hour prior to performance time. Free attractions in the midway can be seen at this time.

Nazarene Church To Hear Missionary Here Wednesday

H. Vincent Seeley, who has been working in Bolivia for the last four years, representing the Church of the Nazarene, will be at the Church of the Nazarene here Oct. 16 at 7:30 p.m. Seeley, his wife, and four children are in the United States on furlough.

A native of Wyandotte, Mich., he has been a director of the Nazarene day schools in Bolivia and superintendent of construction on the church district there. The denomination has 19 schools with about 800 pupils in Bolivia.

He will describe the cultural life of Bolivia and its people as well as the work of the schools.

Rev. Cecil Stowe, local pastor, invites the public to attend.

LIONS CLUB'S ANNUAL BROOM SALE SET HERE TUESDAY

Hamlin residents will be invaded by "Broom Peddlers" Tuesday as the Hamlin Lions Club brings its annual Blind Caravan to town. The Lions will be selling brooms, mops, and other household goods made by blind people downtown all day Tuesday and from house to house during the afternoon, according to Lester Minton, president.

The merchandise is manufactured by the Lighthouse for the Blind and the Lions Club will receive a commission on the sales made here with the money to be used in their various local civic projects such as glasses for needy school children.

The truck will be parked next to the F and M National Bank with the merchandise on display on the sidewalk.

During the day teams of Lions will canvass the town door to door selling household goods.

For those who expect to be out of town Tuesday, arrangements have been made whereby they may call SP 4-1686 and place their order. Delivery will be made at the purchasers convenience sometime after Tuesday.

"The annual Broom Sale is one of the major projects of the local club each year, and has always received gratifying support by the citizens of Hamlin," Minton said.

Work began here Oct. 1 on the new Church of Christ building to be located on the same block as the present structure. The new building will be in the center of the block at West Lake Drive and Southwest Ave. A. Plans call for razing of the present structure upon completion of the \$100,000 plant. A large parking area will be on the same block.

The building will include the auditorium which will seat 485 with an overflow capacity of 724. Built on the ground floor the church will have 25 rooms for classes and offices and a fellowship area to seat 126. The brick structure will have a west front with side entrances to the north and south and a carport at the rear entrance.

The contractor is Killingsworth Construction of Dimmit. Construction is expected to be completed sometime after the first of next year.

The Hamlin Ministerial Alliance met Tuesday morning for the regular meeting with Rev. Bill Irwin, pastor of Central Ave. Baptist Church, presiding. The Alliance voted to sponsor "Trick or Treat" for Christian Rural Overseas Program (CROP). This will be on Halloween instead of asking for candy, those who go out will ask for money for CROP. Details of the project will be announced in the near future.

The Thanksgiving Service to be held at the First Baptist Church this year was also discussed by the group.

FIRE PREVENTION WEEK—NO EXCUSE FOR MOST FIRES

This is Fire Prevention Week, and it good for all of us to pause in what we are doing and give a thought to care about fire.

Too many fires need never have happened, and a little care on the part of all of us can reduce our tragic fire toll in lives and property destroyed.

On the average, about 1,000 fires start in homes in the United States every day. Last year 11,800 persons lost their lives in fires and more than 70,000 received bad burns.

And last year, dollar fire losses in the United States totaled \$1,265,062,000, a new "all-time high and an increase of 4.6 per cent over the preceding year.

The tragic thing about all these fires is that three-fourths of them were the result of carelessness, according to the National Board of Fire Underwriters.

With a little care lives can be saved and needless burning of property prevented.

Here are a few suggestions that may keep your home fire safe:

1 — Never leave small children alone. Even if you are leaving for only a few moments, get a responsible person to stay with them. When going out for an extended period of time, employ a baby sitter.

2 — Small children and elderly people are the most frequent fire victims. If there are elderly persons in your household, plans should be made to get them out of the house quickly in case of fire.

3 — Use care with cigarettes. Never discard a cigarette or drop a match without being sure it has been extinguished. It's a good plan to break a match after using just to be sure it is out. Keep matches out of reach of children. And never smoke in bed.

4 — Keep a flashlight handy for use in dark places. Never strike matches or carry lighted matches or candles into closets or attics.

5 — Keep your electrical appliances in safe condition. Take them to a qualified repairman if they have loose connections or frayed or worn cords.

6 — Throw out old newspapers, magazines and other waste combustibles regularly, rather than let them accumulate in the store room or closet. These are the things on which fires feed.

7 — Impress upon everyone in your household that in case of fire, first get everyone out of the house, and then call the fire department. Call the fire department from your neighbor's home, if need be, but never re-enter a burning house.

These suggestions could save your life, or the lives of members of your family.

You are the one who can help keep your home safe from fire.

Years Ago ...

FIVE YEARS AGO:

Final plans were made last Wednesday in the home of Mrs. Robert Fowler for the Hamlin High School Ex-student homecoming this week-end at Hamlin.

Louise Proctor, evening chief operator at Southwestern Bell Telephone Company, was honored Saturday afternoon at 3:00 o'clock with a twenty-fifth anniversary party. The party was held in the lounge at the phone office.

Crop Insurance Discussed by Ag Commissioner

Crop disaster protection for Texas farmers was discussed by Texas Commissioner of Agriculture, John C. White, at a meeting of representatives of Federal Crop Insurance Corporation at the Commodore Perry Hotel in Austin at 10:00 a.m., Oct. 1, 1963.

In addressing the group White commended the Federal Crop Insurance Corporation for its accomplishments over the past quarter century of service to farmers, and expressed his confident support for its future.

That Texas farmers recognize the value of the crop insurance program is pointed up by the 100% increase in participation which has been seen here in the last two-year period, White said.

Federal Crop Insurance, an expanding program of the U. S. Department of Agriculture, offers insurance on farmers' crop investments; it covers losses due to drought, flood, hail, insects, plant disease and other natural causes. The all-risk program is now being offered in about 1100 of the nation's 3000 agricultural counties. In Texas the program is offered in 45 counties covering cotton, grain, sorghum and wheat, with approximately 12,000 farmers carrying nearly \$30 million in FCIC protection.

Representatives from 20 counties attended the meeting for the purpose of reviewing policy, procedures and program changes.

ESSENTIAL TOO!

The boys on the field are carrying the bulk of the game, but all the boys on the bench are eagerly awaiting their opportunity to get in the game. Some will get to play, others won't, yet each is essential to the team. During practice each week their efforts help build a better team.

To function properly, a church must work as a team. The Pastor and his associates carry most of the load. Many others are needed to help train and teach, or do many other tasks. However whether or not you can serve the Lord in some capacity, *your presence* in the worship services does help you and others too. ATTEND CHURCH THIS SUNDAY... YOU WILL BE GLAD THAT YOU DID.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

High Heating Costs ?

Low Comfort ?

...not with Flameless Electric Heating!

Drafts are out...comfort is in...because electric house heating lets you wrap heat around each room — with separate room controls, too! And you can choose from a variety of built-ins — installed inconspicuously in baseboard floor, ceiling, or wall. Here's a treat for your budget, too; you save on installation because no flues or chimneys are needed. Annual operation costs for heating during the winter months in the territory served by WTU averages about 7¢ per square foot of living area in the home. Why not ask your electrical contractor or WTU to survey your home for flameless electric heat?

NATIONAL HONOR SOCIETY PLANS YEAR'S ACTIVITIES

The National Honor Society met Thursday, Oct. 3, to plan projects for the year. To promote citizenship, the members voted to elect a girl and boy citizen for each month. The citizens for September will be announced at a later date. The group chose patriotism as another project, and plans are being made for different projects concerning patronism.

Barbara Lakey was elected to serve as historian for the year. The president also appointed a committee to be in charge of the permanent grade record, which is an annual project sponsored by the National Honor Society.

The Hamlin High School Stage Band furnished the background music for the West Texas Amateur Hour Tuesday night. The talent show is sponsored by the Abilene Optimist Club. The band will audition at a future show.

Farmers Warned About Grazing Treated Cotton

Jones County Cotton producers are urged by County Agent, Kirby Clayton, to use caution about grazing cattle on cotton which has been treated with cotton defoliant and desiccants. Clayton says that cotton which has been treated with one of these desiccant should not be used for grazing cattle, neither should the burs be used as a roughage.

Clayton says that adjacent feed fields which have received an extra dose of the cotton desiccant from drifting winds should be used with caution. The contaminated outside rows should not be grazed or cut for feeding later.

For further information, contact your county agent, or nearest veterinarian.

Six Guilty Pleas Heard in District Court Wednesday

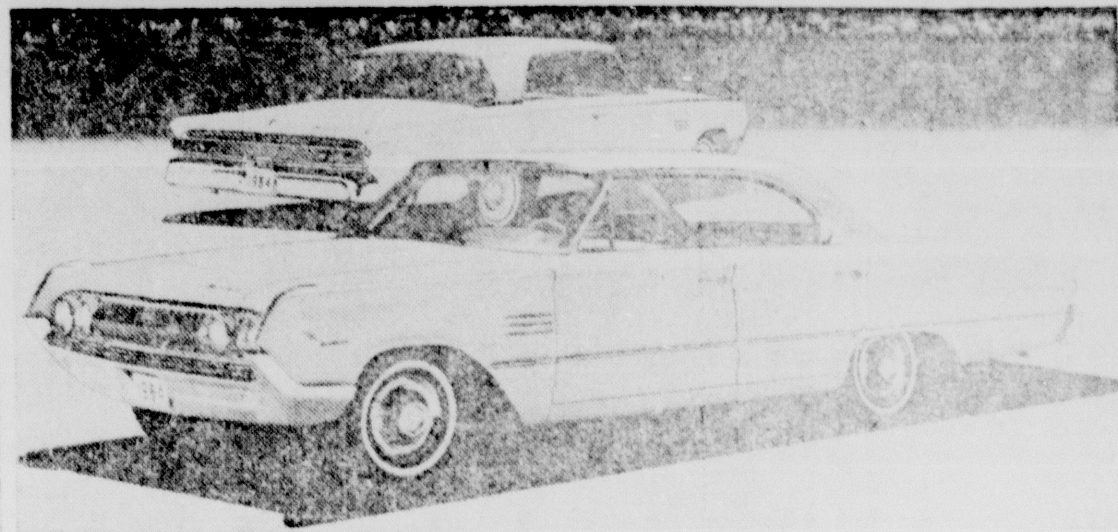

Six pleas of guilty were heard by Judge Owen B. Thomas in 104th District Court at Anson on Wednesday of last week. Involved were complaints charging forgery and passing, burglary and second offense driving while intoxicated.

John Cortez Milford and Ernest Lampkin each pleaded guilty to charges of second offense DWI. Each was given twenty days in county jail and Milford also was assessed a \$100 fine.

Robert Bailey pleaded guilty to forging and passing a check bearing the name of N. A. Wash. This check was given M. E. Bradberry of Anson. He was given a two-year term in the state penitentiary but this was suspended.

Etta Lee Bailey, charged with forging the name of Mrs. Lola Touchstone to a check which she passed at the M. E. Bradberry store, also drew a two-year suspended term.

Jackie Rangel, charged with forging the name of L. B. Baker to two checks of \$6.50 each which he cashed with Grace

SHIRLEY FARNSWORTH WEDS RICKIE HOBBS HERE OCT. 5

Shirley Marie Farnsworth and Rickie Gene Hobbs were married here Saturday, Oct. 5, at 6 p.m. in the Church of the Nazarene. Rev. Cecil Stowe, pastor, read the single ring ceremony.

Mr. and Mrs. O. L. Farnsworth, 610 N. E. Ave. A, are parents of the bride. The bridegroom is the son of Mr. and Mrs. Bill Hobbs, Rt. 1, Carbon.

Cherry Criswell of Eastland was maid of honor. Sonnie Walters of Eastland was best man. Portia Long of Hamlin and Carol Donham of Rotan, cousin of the bride, were candle-lighters.

Ushers were Larry Farnsworth, brother of the bride, and Warren Reynolds.

Given marriage by her father, the bride wore a street length dress of cotton pique accented with lace on the scalloped hem and a fitted lace jacket. Her shoulder length veil of illusion was attached to a tiara of seed pearls. She carried an arrangement of white carnations tied with blue ribbon streamers atop a white Bible.

Miss Criswell wore a street length dress of medium blue taffeta with blue lace accented with a chiffon cummerbund. Her accessories were white. She carried a single long stem white gladiola.

The reception was held in the church annex. Guests were registered by Mary Donham. Carol Donham and Portia Long served.

After a brief wedding trip the couple will reside at 1400 West Commerce in Eastland.

For travel the bride wore a blue sheath with attached fringed scarf and beige accessories.

The bride attended Hamlin High School and will complete her senior year by correspondence. She has been a member of the Pep Squad and Future Homemakers of America.

The bridegroom attended schools at Otten and Carbon. He is now employed by Cecil Ruoy, Contractor, Eastland.

Demonstration on Centerpieces Held for HD Leaders

Centerpieces For Party Decorations was the demonstration conducted for Jones County Home Demonstration club leaders by Mrs. Lou B. Shop of the Bishop Flower Shop of Hamlin. Sixteen women attended the meeting conducted in the office of Mary Y. Newberry, Jones County Home Demonstration Agent.

Mrs. Bishop gave rules to follow in making arrangements, she also discussed line balance, rhythm texture, color, harmony, scale and shapes of arrangements. She displayed several arrangements for different occasions.

Mrs. Bill Chambers, Mrs. Arch Herndon, and Mrs. Walter Love, all three of the Bluebonnet Home Demonstration Club demonstrated different decorations and arrangements.

District President Speaks to Literary Club Noon Friday

Members of the Women's Literary Club opened the new club year Friday with a luncheon at the Cliff House in Stamford. The Mesquite District President, Mrs. R. W. Herren of Haskell was the speaker.

Mrs. Donley Williams, chairman of the yearbook committee, was program director. Others of the committee assisting her with luncheon arrangements were Mmes. Holly Toller, R. D. Moore, and John D. Ferguson.

Mrs. Tarlton Willingham gave the invocation. Mrs. C. T. Murrell, club president, introduced Mrs. Herren.

Focus on Federation was the theme for the district president's talk. She spoke on the various divisions of Federation and also presented a brief outline of plans for the District Convention to be held in Haskell March 20.

Mrs. W. L. Hunter Jr. introduced new members, Mmes. Royce Wamack and A. A. Wade.

Following the presentation of yearbooks and a discussion of the year's programs, the club was adjourned with the club collect.

First Baptist YWA Installs Officers

The Young Women's Auxiliary of the First Baptist Church met Sept. 30 in the home of Mrs. Lenard Hartley for the installation of officers by Mrs. Erma Wallace, Y. W. A. director.

Connie Jo Duncan, president, was installed along with the following officers: Caristy Wallace, vice president; Lynn Miller, secretary - treasurer; Mary Lois Patterson, program chairman; Carolyn Reynolds, prayer chairman; Rose Lovell, community missions; Carolyn Reynolds, social chairman; Mary Margaret Turner, stewardship; Donna Pruitt, mission study; Elizabeth Cunningham, song leader; Mary Ann Elkins, pianist.

Mrs. Wallace stressed the importance of pulling together as she used the story of the people of Richmond, Virginia, pulling the rope around the statue of Gen. Robert E. Lee to get it into place.

During the business session the girls discussed going to Ridgecrest, North Carolina, for the Y. W. A. Conference next summer. They decided to work at jobs in the city and pool their earnings for the trip. The girls will do housework, baby sitting, car washing, yardwork or other odd jobs to earn money. One telephone number will be used to line up jobs for the girls. Anyone needing the girls may call SP 4-2318.

Mrs. S. L. Tate, W. M. U. president, was a guest. Refreshments were served to 15 members. Mrs. Hartley gave the closing prayer.

FAIRVIEW NEWS

By MRS. ELMER JOINER

News out Fairview way is very scarce this week, since all anyone has done is work and that isn't much news. All farmers are busy gathering cotton or getting their wheat land ready to sow. Some little wheat is up, that was planted early, for grazing, where it found the moisture to come up is beyond imagination, but it stands there pretty and green. Cotton strippers are running as fast as trailers can be emptied, gins are running around the clock, in fact with the beautiful weather, everyone is busy, and busy people don't have time to visit or entertain company.

Attendance was lower at midweek services than in a long time, we are hoping to see it come back up as soon as the main rush is over. We have been especially proud of our Wednesday night attendance, so let's don't let it sag.

Visitors in church Sunday night, coming with the Jack Wrights, were Mr. and Mrs. Bill Chapman and son, from Hamlin.

Sunday morning, everyone was pleasantly surprised, when Rev. Derrel Lewis and family arrived for a visit in Sunday School and church services. Being our recent pastor, it was good to see them. They now live in Lubbock and were visiting his parents, Mr. and Mrs. Johnny Lewis of Hamlin.

Mrs. Jack Wicker, Suzanne and Teena, visited Saturday afternoon with Mrs. Woodrow Goodwin and Linda. Sunday afternoon Linda spent the afternoon with Suzanne.

Mrs. Gaudie White, Abilene, visited a short while Sunday afternoon, with Mr. and Mrs. Elmer Joiner.

Mr. and Mrs. Joe Ford will accompany a granddaughter, Mr. and Mrs. Bobby Barnes, of Lamesa, to Arlington, this week, for a visit with their eldest son, Mr. and Mrs. Eudell

Tips on Buying Eggs Given by County HD Agent

When you go to the grocery store, do you buy the biggest eggs you can find so you get the most for your money? If you do, you may be making a mistake, says Mary Y. Newberry, Jones County Home Demonstration Agent.

There's more to an egg than its size. Quality, too, must be considered. Egg graders in the U. S. Department of Agriculture's Agricultural Marketing Service have special ratings for each of these factors.

The quality of a carton of eggs is grades U. S. Grade AA or Fresh Fancy Quality, U. S. Grade A, or U. S. Grade B. These quality grades depends upon shell characteristics, spread of the egg when broken, thickness of the white, and firmness and size of the yolk.

Sizes are based on weight alone. They include Jumbo, Extra Large, Large, Medium, Small, and Pee-wee. Most common are Extra Large eggs which weigh 27 ounces per dozen; Large eggs, which weigh 24 ounces; Mediums 21 ounces; and Small eggs, 18 ounces.

The next time you reach for a carton of eggs, remember that big eggs are not necessarily top quality nor small eggs of lower quality, reminds Mrs. Newberry.

NEIGHBOR..

Mr. and Mrs. Thomas E. Cudd are in Ardmore, Okla., where his mother, Mrs. J. B. Cudd, is hospitalized.

AUSTIN—"This world is now, and ever shall be an ever-living Fire," said Heraclitus, an ancient Greek philosopher. This theory was refuted long ago, yet fire never ceases to demand man's respect. Fire, we know, can either serve or destroy man.

Everyone benefits from the heat of a flame. But paradoxically, 500 Texans unwittingly sacrifice their lives to fire each year. Seventy-seven percent of these lives are lost in the sanctity of the home.

This is your Junior Fire Marshal watching a fire hazard...

ARE YOU A FIRE HAZARD?

Do you sometimes smoke in bed, overload your home electrical system, forget to clear storage areas periodically, or commit other little oversights that can lead to big fires? Or do you try to eliminate fire hazards—always?

THIS IS FIRE PREVENTION WEEK

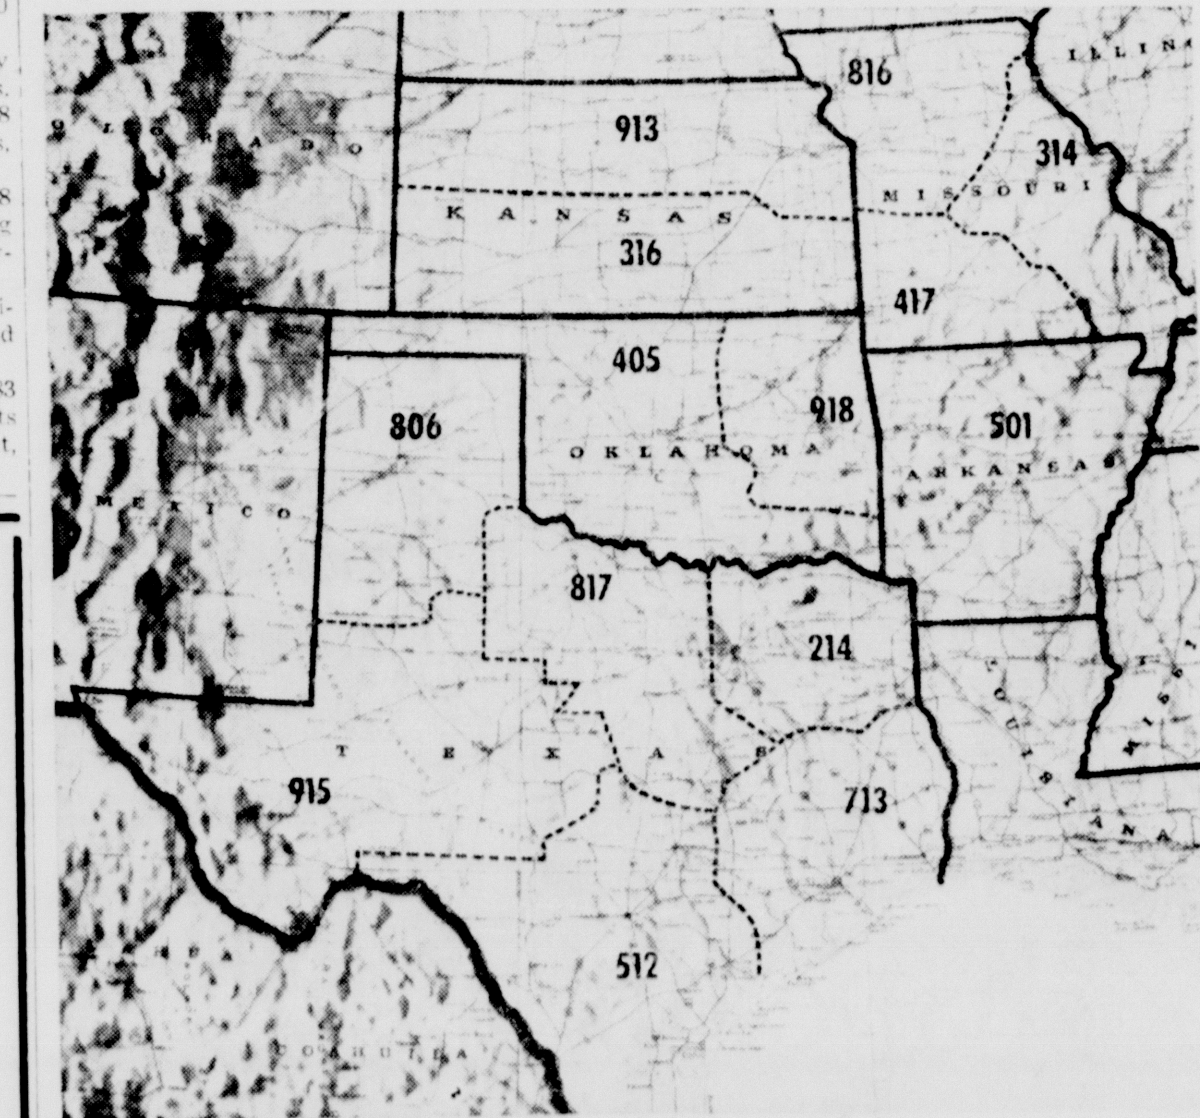

As local sponsors of the Hartford Insurance Group's Junior Fire Marshal program, we urge you never to be "fire" careless. Instead, we ask you to join your youngster, or your neighbor's, and millions of American boys and girls who are helping to snuff out fire hazards through the Junior Fire Marshal safety program. Do it this week, and all through the year.

STATE CAPITAL Highlights AND Sidelights

by Vern Sanford

AUSTIN, Tex. — President John F. Kennedy is coming to Texas around November 22 to help lift the 1964 Democratic presidential campaign off the launching pad in this state.

As early as he is, the President appears to be somewhat behind the political timetable of Texans.

Gov. John Connally, who announced the President's visit, called in nearly 50 of his top supporters to begin getting his own campaign organization in shape.

Republicans also summoned key local leaders to Austin for a "leadership conference." They pow-wowed over finances, talked up their talent scouting for candidates and began organizing a drive to register 50,000 new members of the GOP.

The Republicans picked up another candidate for the U. S. Senate, Dr. Milton V. Davis,

Dallas chest surgeon, George H. W. Bush of Houston announced last month.

SHELL-DREDGING WRANGLE — A coastal region crisis is being claimed by the state's four largest shell-dredging firms.

Firms are Parker Brothers, Inc., W. H. Haden Company, Horton and Horton, and Bay Dredging Company.

State Parks and Wildlife Commission took under advisement their application to expand dredging activities in Galveston and Trinity bays.

Applicants claimed \$1,000,000 worth of industry and 10,000 jobs are threatened by an acute shortage of oyster shell in authorized areas. Dredgers supply shell to roadbuilding and concrete industries, as well as chemical, paper and other manufacturing firms in the state.

Oyster fishermen, sports fishermen and conservationists also were on hand during the two-day hearing. They claim that they would face a crisis if shell dredging areas are expanded in the two bays. Commercial fishermen, who produced 64 per cent of the 1962 oyster crop in Galveston Bay, claimed they would be run out of business. Sportsmen said destruction of live oyster reefs, oar reefs which can be revitalized, would destroy every natural attraction in the bays.

Both sides feel that the application fight is a life-or-death situation... either for the shell-dredgers or for the oyster men and the vast sporting industry on the upper Gulf Coast.

CATTLE KILLER — Agriculture Commissioner John White warned Texas farmers against the "deadly danger" of letting livestock graze in fields which have been defoliated by the use of certain cotton chemicals. Warning came after a Breckenridge farmer lost more than half his herd of cattle from the effects of arsenic poison.

White urged farmers to seek full information on the effects of any chemical before applying it to their fields.

OIL INDUSTRY WOES — The Texas oil industry is in a three-way bind, Governor Connally told the Texas Independent Producers and Royalty Owners Association. Stabilization of foreign imports would strengthen the troubled industry, he said, but Texas oil is losing markets to other states and to natural gas. TIPO backed legislation to require pooling of small tract oil and gas leases for operational purposes. Connally went to Washington to ask Secretary of Interior Stewart Udall for more imports controls.

OLD-AGE HEALTH PLAN UNDERWAY — Fifty-three insurance companies have joined the statewide coop, authorized to write health insurance for citizens over age 65. Among the first senior citizens to sign up for insurance were Gov. John Connally's mother and father-in-law, Mrs. J. B. Connally of Floresville and Arno Brill of Austin.

The voluntary health insurance plan is available to all those 65 and older, regardless of their health condition. Plan was authorized by the 58th Legislature.

BUDGETMAKERS BALK — Legislative Budget Board declined to give its immediate consent to a new \$1,000,000

conference center building at the University of Texas. Members said they feared Governor Connally might red-line the item.

Board approved additional outlays for new high speed data processing equipment for the State Highway Department and a study to determine future needs of all agencies for such equipment.

Board Director Vernon McGee warned of an approaching revenue problem. He said scare studies of smoking results might drastically cut tobacco tax income.

EDUCATION FUNDS NEEDED — The Committee of Governing Boards of State Colleges and Universities estimated \$15,000,000 more will be needed by Texas' 20 tax-supported colleges and universities this fiscal period to keep up with the natural pattern of teaching salaries, libraries and research.

Committee will work with the Governor's study committee and the Texas Commission of Higher Education to blueprint educational growth. Governor Connally told the college board members they should take a searching look at their own schools to see if all programs are necessary.

HAPPY WITH PARKS GIFT — Land Commissioner Jerry Sadler applauded the gift of 3,000 acres of lake property in Jefferson County to the State Parks and Wildlife Department. Gift was from the J. L. C. McFaddin Estate. He withdrew an old request to the Attorney General to push a State claim to the acreage. Sadler predicted the waters will be developed into a "sportsman's paradise."

COURTS SPEAK — Vending machine operators selling items which cost less than 25 cents each have to pay sales tax on their take, the Supreme Court ruled. However, the Legislature now has adopted amendments to exempt vending machines, newspapers and merchants with majority of sales less than 25c.

The Supreme Court ordered the state to pay back to four utilities companies in Houston, Corpus Christi, Shreveport and Abilene \$355,000 plus interest in franchise taxes. It found the corporations were exempt from paying the tax on sums kept in reserve to pay deferred federal income taxes.

The high court heard new arguments over constitutionality of the 1961 dedicated reserve gas tax.

HUNTING LEASE LOTTERY — Sportsmen will cast lots for the right to hunt game on six State preserves. Applications, available from State Parks and Wildlife Department, must be returned before October 31. Winners of the drawing will be notified a few days thereafter.

Preserves open for the hunt include Kerr Wildlife Management Area; Sierra Diablo area

in Culberson County; Gene Howe area in Hemphill County; Angelina area in Sabine and Cherokee counties; Black Gap area in Brewster County; and Engeling area in Anderson County.

TRUCK DRIVERS COMPLAINED — R. L. Atwell Jr. of Houston says Texas truckers have an excellent safety record because "we live with safety, Stephens, Shackelford, East-we breathe it, we think it all day and dream about it at night."

That's why the Texas Truck driver is known and recognized as the safest man on the highway, the TMTA director stated.

His remarks were made at an Austin meeting of the Texas Council of Safety Supervisors and the Oil Field Haulers Council of Safety Supervisors.

Atwell's own operation, Coastal Transport Company, Inc., is a leader in the field of safety. Coastal has won national awards for accident-free record.

SHORT SNORTS — Shipment by the State Library of Braille books, an "Talking books" for blind people reached all-time highs in September.

Winfrey, state Librarian. Bureau of Business Research statisticians are conducting a detailed study of seasonally-adjusted indexes of Texas business activity, with an eye to determining whether the 30-month upward climb on the business barometer has run its course.

The Railroad Commission ordered oil field pits in Stephens, Shackelford, East-we breathe it, we think it all day and dream about it at night.

Lee Thomas was promoted to general counsel of Texas Employment Commission to succeed C. M. Turlington of Marway, who resigned.

Texas aeronautics Commission's 14th annual "Fly-A-Thon" covered a 34-city and 3,000 mile tour of the state.

State Highway Department is offering a free 16-page calendar of 48 events that are scheduled for Texas towns during the Fall and Winter months.

INTRODUCING THE DEPENDABLES FOR '64

Compact families, if you've grown larger... Dart's for you

Something new in compacts! Family-size room. Family-size fun. Dart is a fresh new compact in the large economy size.

Dart's a little bigger outside, a lot roomier and more comfortable inside. A bigger engine under the hood, a lot more fun on the open road. And bringing up the rear? A whopping trunk with more usable luggage space than many full-size cars.

Yet Dart is a compact. You can tell by the great gas mileage. By the way it slips into skimpy parking spaces. And by its small compact price. In short, few compacts cost less than Dart. Not one gives you so much for the money. So head for your Dodge dealer and try Dart on your family for size. Three series, nine new models. With each, you get a 5-year/50,000-mile warranty.*

***THE DEPENDABLES' 5-YEAR 50,000-MILE WARRANTY** — Chrysler Corporation warrants, for 5 years or 50,000 miles, whichever comes first, against defects in materials and workmanship and will replace or repair at a Chrysler Motor Corporation Authorized Dealer's place of business, the engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings of its 1964 automobiles, provided the owner has the engine oil changed every 3 months or 4,000 miles, whichever comes first, the oil filter replaced every second oil change and the carburetor, air filter, cleaner, every 6 months and replaced every 2 years, and every 6 months furnishes to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage.

A. M. Allen Leaves Celotex Plant

A. M. Allen, personnel and industrial relations manager of Celotex, Hamlin Plant, since May, 1962, will leave the local plant this month to be employed by the Hobbs Trailer Division of Fruehoff Corporation in Fort Worth.

Allen will assume the responsibilities of an industrial engineer at the Fort Worth plant Oct. 21. His future plans also call for work on his master's degree at Arlington State College, Arlington.

First Methodist Men Host for Sub-District Meet

The men of the First Methodist Church served as the host for the Sub-District Monday night, from Jayton, Aspermont, Rotan and First Church Hamlin. There was 43 men present.

Dr. C. A. Holcomb, District Superintendent of the Stamford District, was the speaker. Mark A. Geeslin, Agricultural Agent of Kent County, is president of the Sub-District.

Now officers will be elected at the next quarterly meeting which will be held at Aspermont.

'Great Escape' To Open at Rogue

A faithful film re-enactment of the greatest mass escape from a military prison in the annals of warfare, the famed actual break from Germany's maximum security camp, the notorious Stalag III by 76 allied airmen during World War II, is the subject of the Mirisch Alpha presentation "The Great Escape" in Color by DeLuxe and Panavision, opening Sunday at the Rogue Theatre.

Based upon the non-fiction best seller by Paul Brickhill, who was a participant in the break, and filmed under the close supervision of C. Wallace Floody, now a Toronto businessman but who was one of the guiding geniuses of the original enterprise, this United Artists release literally has a cast of thousands, headed by Steve McQueen, James Garner and Richard Attenborough.

Stalag III, Floody pointed out to John Sturges, producer and director of "The Great Escape," was created by Germany as a last "get tough" measure for allied airmen after scores of them not only broke out of other prisons but raised havoc with German security and communications behind the lines.

Dwayne Miller New Junior RA Prexy

The Junior Royal Ambassadors of the First Baptist Church elected officers at the regular meeting Monday at 4 p.m.

Dwayne Miller was elected president; Darrell Craig, vice-president; and David Riddell, recorder.

The group meets every Monday afternoon at the church with S. L. Tate Jr. as counselor.

Natural Lure Selector

If you, as a fly fisherman, are uncertain which lure to use at a particular place, on a given day, hang several pieces of fly paper overnight near the water you are to fish.

Next morning examine the bugs stuck to the paper and select a lure closely resembling the live bugs.

To Blaze A Trail

Trail-blazing trees with a hand axe is arduous work. Also it may injure valuable trees.

A new and better way to mark your trail through the woods is to carry a small pressure can of orange-colored luminous paint. Mark the trees, as you walk, by squirting a spot of bright paint on them.

This not only doesn't injure the tree, but the luminous paint easily can be seen during the day. Furthermore it will glow brightly in a flashlight beam at night.

When Tying Flies

Amateur fly-tyers can speed up production by slipping a small mirror under the fly vise. This enables you to see the under side of the fly.

It also makes the fly-tying more professional-looking.

NEINDA PHILOSOPHER HAS A HARD TIME WITH THE PROBLEM OF SELLING WHEAT TO RUSSIA

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One faces up to a difficult international problem this week.

Dear editor:

There are some international problems I'd just as soon not have to solve.

For example take wheat.

As I understand it, the Russians are trying to buy a lot of surplus wheat from the United States. I guess in order to get enough strength to handle the shovels they're planning on burying us with, and the offer, especially since it men-

tions cash in advance, is troublesome to answer.

One side says no, don't sell those Communists anything. The other side says why not, we got all this surplus wheat starting us in the face and costing us money to store and if Russia doesn't buy it from us

Football Receipts Near \$3,000 Mark

Hamlin football receipts for the first four weeks of the season near \$3,000 mark according to a report this week by School Superintendent C. F. Cook. This includes a B game and a junior high game.

The receipts by game were Rotan, \$708.15; Colorado City B, \$45.00; Childress, \$492.80; Spur, \$947.80; Albany Junior High, \$1103.25; Cisco, \$663.80.

she'll buy from Canada or some other country, so why not take the money and spend it on defense or apply it on the national debt if it's not unconstitutional to reduce it.

It's that cash-in-advance angle that makes this a hard problem to answer. If she wanted to borrow some wheat, or buy it on credit, any Congressman could give you this answer, but cash on the barrel head... this is a question that requires judicious debate.

It stumps me, I don't have the answer, but I think I can tell you what we'll do. We'll sell.

Human nature is hard to control. I've never yet seen a prohibitionist lumberman who wouldn't sell material to build a bar if he got the cash, a reactionary insurance man who wouldn't sell insurance to a

liberal. Cash, like music, seems to be a universal language.

Personally, I don't have any wheat to sell, but if you hear of any country in the world wanting to buy some Johnson grass seed, let me know and I'll rattle with the problem.

Yours faithfully,
J. A.

ANN KEMP

Fisher Gold Star Girl

McCAULEY 4-H'ER NAMED FISHER GOLD STAR GIRL

Ann Kemp, daughter of Mr. and Mrs. Fred Kemp of McCauley, has been named Fisher County Gold Star Girl for 1963 according to Home demonstration Agent, Alice L. Kemp.

The Gold Star Award is presented by the Texas Agricultural Extension Service and is the highest award which can be obtained on county level. To be eligible, the 4-H member must be 13 years old or older before January 1, have completed at least three years of 4-H club work including the current year and must not have previously received this award.

Selection of the Gold Star Girl was made by a committee. The committee this year was Mrs. Howard Niles, treasurer of H. D. Council, Mrs. Carl Kreidel, an adult leader and Mrs. Jerry Hoodenpile, former 4-H member and county Gold Star Girl in 1957. The committee judges the girls records and gives a score on the record. This record is of all 4-H work the member has ever done. The Committee then visits each girl to see 4-H demonstrations in progress at the present time.

Ann is fourteen year old and has been in 4-H club six years. She is a sophomore in McCauley High School where she is active in F. H. A., basketball, volleyball and the pep squad. She is also active in the First Baptist Church of McCauley where she teaches a Sunday school class, assists with vacation Bible school and is active in the church music program.

Demonstrations Ann has completed in 4-H are clothing food preparation, food preservation, bedroom improvement, homestead improvement and leadership.

OLD GLORY GIRL RECEIVES STONEWALL GOLD STAR AWARD

Nancy Vahlenkamp has been named Stonewall County's 4-H Gold Star Girl. She is the daughter of Mr. and Mrs. Herbert Vahlenkamp of Old Glory. Nancy holds the distinction of being the girl in the history of Stonewall County 4-H that has won two state contests. She nearly made it three, as she was runner-up this year in the State Poultry Contest, which would have meant a trip to the National 4-H Congress in Chicago.

Nancy's projects have been Poultry, Leadership, Swine, Fleecing, Foods, Gardening, Home Management, Clothing, and Recreation. She is 16 years old and has been in 4-H going on six years.

Nancy has entered many County, District, and State Contests, placing first in District in Poultry Marketing Demonstration in 1962 and 1963. This year she and her brother, Marvin, went on to win the State Poultry Marketing Demonstration. In 1962 she won the State Poultry Fact Finding Contest, and won a trip to Kansas City, Missouri, for this. She has had from 100 to 350 laying hens and 50 broilers a year as her poultry project for the last several years. She has won blue ribbons in the County Broiler Show and in the State Fair of Texas.

Nancy's swine projects have been Sears gilts and feeder hogs. Her garden and food projects have been helping to supply their home with fresh and

PIPERS TRAVEL TO POST FRIDAY FOR 7:30 ENCOUNTER

After taking the past week end off the Pied Pipers will journey to Post Friday night to close out the practice half of their schedule. The 7:30 game will be the Pipers last non-conference effort before they open district warfare the following week at Stamford.

The Post eleven will take a 4-1 record in the encounter as they suffered a 15-0 loss last week to Floydada. They have given up 21 points in their five outings, downing Martin, Ralls, Plains and Abernathy.

Post runs from a Pro-Type

offense using a split end and a flanker. Their top offensive bow is their highly rated quarterback, Pat Cornell, who does their kicking, punting, runs the keeper well and is a top passer. The Pipers scouts rate him as the best quarterback they have seen this season.

The probable starting lineup for Post will be left end, Danny Pierce, 167 pounds; left tackle, Charlie Brown, 195 pounds; left guard, Danny Odom, 140 pounds; center, Pat Sullivan, 182 pounds; right guard, Jack Braddock, 196 pounds; right tackle, Ricky Little, 195 pounds; right end, Ronald Simpson, 134 pounds; quarterback, Cornell, 162 pounds; fullback, Benny Owen, 158 pounds; halfback Butch Cross, 154 pounds; and wingback, Wendell Johnson, 153 pounds. On defense, Post will replace Johnson with 230 pound Billy Mitchell, giving their four man defensive forward wall an average weight of 203 pounds.

Cornell does most of his passing to Simpson.

DISTRICT 6-AA

Hamlin, Ballinger and Stamford remain the only undefeated clubs in District 6-AA as the season nears the mid-way mark. The district's standing was helped last week as its teams won three out of four contests, bringing the season totals up to 20-5-1.

Last week's results were:

Anson 14, Clyde 12.
Wichita Falls Hirsch 26, Haskell 0.
Winters 37, Coleman 0.
Ballinger 12, Colorado City 0.
Hamlin and Stamford idle.

This week's schedule:

Anson at Colorado City.
Ballinger at Coleman.
Hamlin at Post.
K. Snyder at Stamford.
Haskell, Winters open.

B&PW Club Holds Breakfast Today To Observe 'Week'

The Business and Professional Women's Club met Tuesday evening in the primary cafeteria for a dinner meeting and program presented by a club member, Mrs. A. A. Hackley.

Mrs. Hackley presented colored slides of her recent European tour.

Mrs. Clifford Stuart, first vice president, presided.

The club will observe National Business Women's Week with a breakfast today (Thursday) at 7 a.m.

The membership committee, with Mrs. Stuart as chairman, was in charge of the program. Others on the committee were Mmes. E. M. Wilson, Kelly Scott, Joe Norton, and Miss Oleta Avants.

Lennis Smith was a guest.

Anson Downs Jr. High Here Tuesday

The Anson Cubs defeated the Mighty Mice here Tuesday evening 6-0. The Anson Junior High team is one of the strongest in the area and has won all of their games.

The eighth grade junior high team will play again here Tuesday evening as they meet Haskell.

JAYCEES TO CONDUCT PUNT, PASS, KICK CONTEST SATURDAY

C. R. Dansby Jr., Competition Director for the Hamlin Punt, Pass and Kick Contest for grade school boys warned that only a few days remain in which Hamlin area boys can register for the test of football skills which could lead to a Washington, D. C., and Dearborn, Michigan "Tour of Champions" and an appearance at the National Football League Championship game.

"Registrations will close Friday evening, October 11," Mr. Dansby pointed out, "and none can be accepted any later, since we must draw up our

COMING OCTOBER 21—Miss Lona Fabiola, European star, is seen entering the Big Top of the Kelly Miller Circus for the grand entry march. This large wild animal circus will appear in Hamlin on Monday, October 21.

JAYCEES TO SPONSOR CIRCUS HERE FOR TWO PERFORMANCES

This year, the Al G. Kelly and Miller Bros. Circus, which will appear in Hamlin on Monday, Oct. 21 has modernized their performance to appeal to the adults as well as the children, realizing the television spectaculars like International Showtime, Ed Sullivan and the Dupont Hour have been well received by the adult audience.

The Al G. Kelly and Miller Bros. Circus has obtained for their performance this year some of the best of the acts appearing with the international circuses. One of these European features is the sensational act, direct from Ciro Poblano in Spain, he Alexandras, who perform on horizontal bars hung high in the circus tent, swinging gracefully to and from the bars, passing in mid air and leaving the crowd breathless.

Among the other thrilling features with the nation's largest circus will be such cosmopolitan acts as the Flying Esquedars aredevils on the high trapeze, the Peabody Troupe of jugglers, the Riding Loyals, bareback riders supreme and direct from "Tique Callo, Empress Leota, old animal trainer, subjugating leopards, panthers and wolves to a steel arena.

An array of trained animals will be seen with the Al G. Kelly and Miller Bros. Circus at both performances at 3:30 and 8:30 p.m. Some of the animal displays will include three herds of elephants, dancing llamas, spirited liberty horses and poies, dexterous seals and dancing horses, presented by the quetrian, Senor Rafael and entering for the first time in America, Capt. Fred Logan and his cage of jungle nubian lions.

Doors to the largest traveling menagerie annex containing such oddities as rhinoceros, giraffes, Indian tigers, hippopotamus and an assemblage of eagles of rare and exotic beasts, will open one hour prior to performance time. Free attractions in the midway can be seen at his time.

Headquarters for the Punt, Pass and Kick Competition open to all grade school boys eight through 11, is at Connally Ford Sales. Entrants must be accompanied by a parent or guardian. There is no charge for registration nor is any special equipment needed. Competitors will vie with each others of their age groups in distance and accuracy competition include Dallas Cowboys and kicking (using a kicking tee) of footballs. There is no body contact.

Prizes in the Hamlin competition include Dallas Cowboys team jackets for the top winner in each age group, football helmets for second place winners, and autographed footballs for third place winners.

Area winners, determined by comparing scores of all state winners, will receive expense-paid trips to the White House in Washington, D. C., and to the Henry Ford Centennial at Dearborn, Michigan. This will be followed by a trip to the championship game of the National Football League, where the National winner in each age group will be determined by a half-time competition in the crowded stadium.

The Hamlin Punt, Pass and Kick Competition is sponsored by Connally Ford Sales, with The Hamlin Jaycees as co-sponsor. The program, in which 431,921 boys competed throughout the country last year, is sponsored nationally by Ford Division of Ford Motor Company and the National Football League.

Nazarene Church To Hear Missionary Here Wednesday

H. Vincent Seeley, who has been working in Bolivia for the last four years, representing the Church of the Nazarene, will be at the Church of the Nazarene here Oct. 16 at 7:30 p.m. Seeley, his wife, and four children are in the United States on furlough.

A native of Wvondotte, Mich., he has been a director of the Nazarene day schools in Bolivia and superintendent of construction on the church district there. The denomination has 19 schools with about 800 pupils in Bolivia.

He will describe the cultural life of Bolivia and its people as well as the work of the schools.

Rev. Cecil Stowe, local pastor, invites the public to attend.

LIONS CLUB'S ANNUAL BROOM SALE SET HERE TUESDAY

Hamlin residents will be inconvenienced by "Broom Peddlers" Tuesday as the Hamlin Lions Club brings its annual Blind Caravan to town. The Lions will be selling brooms, mops, and other household goods made by blind people downtown all day Tuesday and from house to house during the afternoon, according to Lester Minton, president.

The merchandise is manufactured by the Lighthouse for the Blind and the Lions Club will receive a commission on the sales made here with the money to be used in their various local civic projects such as glasses for needy school children.

The truck will be parked next to the F and M National Bank with the merchandise on display on the sidewalk.

During the day teams of Lions will canvass the town door to door selling household goods.

For those who expect to be out of town Tuesday, arrangements have been made whereby they may call SP 4-1686 and place their order. Delivery will be made at the purchasers convenience sometime after Tuesday.

The annual Broom Sale is one of the major projects of the local club each year, and has always received gratifying support by the citizens of Hamlin," Minton said.

The building will include the auditorium which will seat 485 with an overflow capacity of 724. Built on the ground floor the church will have 25 rooms for classes and offices and a fellowship area to seat 126.

The brick structure will have a west front with side entrances to the north and south and a carport at the rear entrance.

The contractor is Killingsworth Construction of Dimmit. Construction is expected to be completed sometime after the first of next year.

Ministerial Group Plans 'Trick or Treat' for CROP

The Hamlin Ministerial Alliance met Tuesday morning for the regular meeting with Rev. Bill Irwin, pastor of Central Ave. Baptist Church, presiding.

The Alliance voted to sponsor "Trick or Treat" for Christian Rural Overseers' Program (CROP). This will be on Halloween instead of asking for candy, those who go out will ask for money for CROP. Details of the project will be announced in the near future.

The Thanksgiving Service to be held at the First Baptist Church this year was also discussed by the group.

FIRE PREVENTION WEEK—NO EXCUSE FOR MOST FIRES

This is Fire Prevention Week, and it good for all of us to pause in what we are doing and give a thought to care quickly in case of fire.

Too many fires need never have happened, and a little care on the part of all of us can reduce our tragic fire toll in lives and property destroyed.

On the average, about 1,000 fires start in homes in the United States every day. Last year 11,800 persons lost their lives in fires and more than 70,000 received bad burns.

And last year, dollar fire losses in the United States totaled \$1,265,062,000, a new all-time high and an increase of 46 per cent over the preceding year.

The tragic thing about all these fires is that three-fourths of them were the result of carelessness, according to the National Board of Fire Underwriters.

With a little care lives can be saved and needless burning of property prevented.

Here are a few suggestions in your household that in case of fire, first get everyone out of the house, and then call the fire department. Call the department from your neighbor's home, if need be, but never re-enter a burning house.

These suggestions could save your life, or the lives of members of your family.

WORK STARTS ON CHURCH BUILDING HERE

Work began here Oct. 1 on the new Church of Christ building to be located on the same block as the present structure. The new building will be in the center of the block at West Lake Drive and Southwest Ave. A. Plans call for razing of the present structure upon completion of the \$100,000 plant. A large parking area will be on the same block.

Years Ago ...

FIVE YEARS AGO:

Final plans were made last Wednesday in the home of Mrs. Robert Fowler for the Hamlin High School Ex-student homecoming this week-end at Hamlin.

Louise Proctor, evening chief operator at Southwestern Bell Telephone Company, was honored Saturday afternoon at 3:00 o'clock with a twenty-fifth anniversary party. The party was held in the lounge at the phone office.

Hamlin only District 6-AA team tilt in last week den's mees.

Hamlin Church of the Nazarene celebrated its fifty-plus years as an organized church with a golden anniversary revival over the week end. Rev. Emma Irich from Lufkin preached from Tuesday through Friday nights.

TEN YEARS AGO:

Concerted clean-up of the Hamlin City Park has been made a project of the Hamlin Business and Professional Women's Club.

Harvesting of a fair cotton crop in the Hamlin territory is underway. Cotton is selling for about 31½ cents per pound.

Rev. Miles B. Hays, who has been interim pastor of First Baptist Church for two years, preached his farewell sermon Sunday evening.

FIFTEEN YEARS AGO:

Spur High School Bulldogs defeated the Hamlin Pied Pipers last Friday night, 28 to 6, for the local's first defeat of the season in four tilts.

Hamlin Motor Company, Ford dealers, are furnishing a new car to Hamlin High School for teaching driving to high school students. Superintendent of Schools L. R. Huchingson accepted keys to the car first of the week from Art Carmichael of the motor concern.

Bowen Pope, one of the organizers and business manager of the Hamlin Memorial Hospital until his resignation on August 26, this week defended the operation of the hospital and declared that a suggested receivership for the institution would be a mistake. The hospital faces a heavy indebtedness.

TWENTY-FIVE YEARS AGO:

Government loan rates have been announced for 1958 cotton. They are from 5.40 cents per pound on 13-16 inch yellow stained to 10.70 cents per pound on 1-8 inch extra white staple.

Mr. and Mrs. Fred Carpenter and son, Tommy, visited Mr. and Mrs. John Crabb in Sweetwater Sunday.

Jones County farmers have received 699 subsidy checks totaling \$77,849.22, according to the county ACA officers in Anson. Other checks should arrive soon.

Hamlin Pied Pipers defeated the Abilene High School B football crew last Friday by a 7 to 6 score in a non-conference tilt.

Hamlin will soon be boasting of at least one city block of brick paving on Eighth Street between Central Avenue and Union Avenue (Now Southwest Third Street).

FORTY YEARS AGO:

When A. D. McLaughlin sold out and moved away from Hamlin, he left a very important and honorable position in the city government vacant. He was mayor. Now Hamlin needs another good Mayor.

One of the most exciting and hotly contested football games yet engaged in by the local High School team was pulled off on the Hamlin Field here last Friday. Sweetwater came with a crack team, large and experienced. Sweetwater won 13-0.

Crop Insurance Discussed by Ag Commissioner

Crop disaster protection for Texas farmers was discussed by Texas Commissioner of Agriculture, John C. White, at a meeting of representatives of Federal Crop Insurance Corporation at the Commodore Perry Hotel in Austin at 10:00 a.m., Oct. 1, 1963.

In addressing the group White commended the Federal Crop Insurance Corporation for its accomplishments over the past quarter century of service to farmers, and expressed his confident support for its future.

That Texas farmers recognize the value of the crop insurance program is pointed up by the 100% increase in participation which has been seen here in the last two-year period, White said.

Federal Crop Insurance, an expanding program of the U. S. Department of Agriculture, offers insurance on farmers' crop investments; it covers losses due to drought, flood, hail, insects, plant disease and other natural causes. The all-risk program is now being offered in about 1100 of the nation's 3000 agricultural counties. In Texas the program is offered in 45 counties covering cotton, grain, sorghum and wheat, with approximately 12,000 farmers carrying nearly \$30 million in FCI protection.

Representatives from 20 counties attended the meeting for the purpose of reviewing policy, procedures and program changes.

ESSENTIAL TOO!

The boys on the field are carrying the bulk of the game, but all the boys on the bench are eagerly awaiting their opportunity to get in the game. Some will get to play, others won't, yet each is essential to the team. During practice each week their efforts help build a better team.

To function properly, a church must work as a team. The Pastor and his associates carry most of the load. Many others are needed to help train and teach, or do many other tasks. However whether or not you can serve the Lord in some capacity, *your presence* in the

worship services does help you and others too. ATTEND CHURCH THIS SUNDAY... YOU WILL BE GLAD THAT YOU DID.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

...not with Flameless Electric Heating!

Drafts are out... comfort is in... because electric house heating lets you wrap heat around each room — with separate room controls, too! And you can choose from a variety of built-ins — installed inconspicuously in baseboard floor, ceiling, or wall. Here's a treat for your budget, too; you save on installation because no flues or chimneys are needed. Annual operation costs for heating during the winter months in the territory served by WTU averages about 7¢ per square foot of living area in the home. Why not ask your electrical contractor or WTU to survey your home for flameless electric heat?

NATIONAL HONOR SOCIETY
PLANS YEAR'S ACTIVITIES

The National Honor Society met Thursday, Oct. 3, to plan projects for the year. To promote citizenship, the members voted to elect a girl and boy citizen for each month. The citizens for September will be announced at a later date. The group chose patriotism as another project, and plans are being made for different projects concerning patriotism.

Barbara Lahey was elected to serve as historian for the

year. The president also appointed a committee to be in charge of the permanent grade record, which is an annual project sponsored by the National Honor Society.

hhs
Diane Bond, Sue Johnson, Anna Adams, and Judy Fitzgerald were chosen as nominees for Band Sweetheart by members of the Hamlin High School Band Monday. The sweetheart will be crowned at

the Hamlin-Winters game, October 25.

hhs
The Hamlin Chapter of the Future Farmers of America met Monday night for the initiation of the Greenhands. The members elected the FFA Sweetheart, who will be announced at a later date.

hhs
The seniors added a net profit of \$100 to their treasury after a car wash held Saturday at Lee Hastings' Service Station. Each member of the class participated in the event.

hhs
A rummage sale held Saturday brought in over \$50 for the FFA. The clothes which were left will be sold in the near future.

hhs
The Hamlin High School Stage Band furnished the background music for the West Texas Amateur Hour Tuesday night. The talent show is sponsored by the Abilene Optimist Club. The band will audition at a future show.

Farmers Warned
About Grazing
Treated Cotton

Jones County Cotton producers are urged by County Agent, Kirby Clayton, to use caution about grazing cattle on cotton which has been treated with cotton defoliants and desiccants. Clayton says that cotton which has been treated with one of these desiccants should not be used for grazing cattle, neither should the burs be used as a roughage.

Clayton says that adjacent feed fields which have received an extra dose of the cotton desiccant from drifting winds should be used with caution. The contaminated outside rows should not be grazed or cut for feeding later.

For further information, contact your county agent, or nearest veterinarian.

Six Guilty Pleas
Heard in District
Court Wednesday

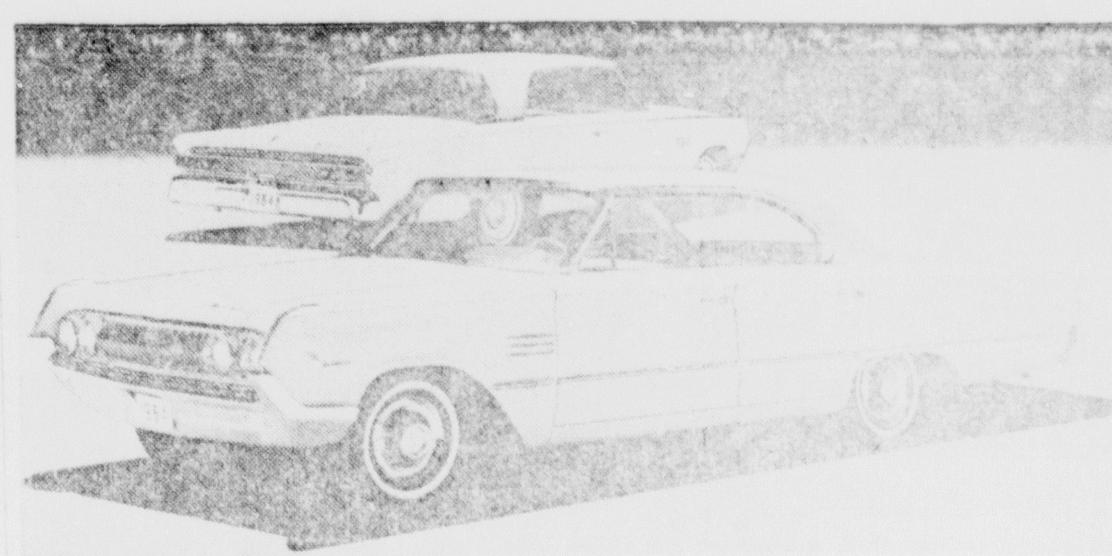

Six pleas of guilty were heard by Judge Owen B. Thomas in 104th District Court at Anson on Wednesday of last week. Involved were complaints charging forgery and passing, burglary and second offense driving while intoxicated.

John Cortez Milford and Ernest Lampkin each pleaded guilty to charges of second offense DWI. Each was given twenty days in county jail and Milford also was assessed a \$100 fine.

Robert Bailey pleaded guilty to forging and passing a check bearing the name of N. A. Wash. This check was given M. E. Bradberry of Anson. He was given a two-year term in the state penitentiary but this was suspended.

Etta Lee Bailey, charged with forging the name of Mrs. Lola Touchstone to a check which she passed at the M. E. Bradberry store, also drew a two-year suspended term.

SHIRLEY FARNSWORTH WEDS RICKIE HOBBS HERE OCT. 5

Shirley Marie Farnsworth and Rickie Gene Hobbs were married here Saturday, Oct. 5, at 6 p.m. in the Church of the Nazarene. Rev. Cecil Stowe, pastor, read the single ring ceremony.

Mr. and Mrs. O. L. Farnsworth, 610 N. E. Ave. A, are parents of the bride. The bridegroom is the son of Mr. and Mrs. Bill Hobbs, Rt. 1, Carbon.

Cherry Criswell of Eastland was maid of honor. Sonnie Walters of Eastland was best man. Portia Long of Hamlin and Carol Donham of Rotan, cousin of the bride, were candle-lighters.

Ushers were Larry Farnsworth, brother of the bride, and Warren Reynolds.

Given marriage by her father, the bride wore a street length dress of cotton pique accented with lace on the scalloped hem and a fitted lace jacket. Her shoulder length veil of illusion was attached to a tiara of seed pearls. She carried an arrangement of white carnations tied with blue ribbon streamers atop a white Bible.

Miss Criswell wore a street length dress of medium blue taffeta with blue lace accented with a chiffon cummerbund. Her accessories were white. She carried a single long stem white gladiolus.

The reception was held in the church annex. Guests were registered by Mary Donham, Carol Donham and Portia Long served.

After a brief wedding trip the couple will reside at 1409 West Commerce in Eastland.

For travel the bride wore a blue sheath with attached fringed scarf and beige accessories.

The bride attended Hamlin High School and will complete her senior year by correspondence. She has been a member of the Pop Squad and Future Homemakers of America.

The bridegroom attended schools at Oden and Carbon. He is now employed by Cecil Runy, Contractor, Eastland.

Demonstration on Centerpieces Held for HD Leaders

Centerpieces for Party Decorations was the demonstration conducted for Jones County Home Demonstration club leaders by Mrs. Lou Bishop of the Bishop Flower Shop of Hamlin. Sixteen women attended the meeting conducted in the office of Mary Y. Newberry, Jones County Home Demonstration Agent.

Mrs. Bishop gave rules to follow in making arrangements, she also discussed line balance, rhythm texture, color, harmony, scale and shapes of arrangements. She displayed several arrangements for different occasions.

Mrs. Lou chambers, Mrs. Arch Henson, and Mrs. Walter Love, all three of the Bluebonnet Home Demonstration Club demonstrated different decorations and arrangements.

District President Speaks to Literary Club Noon Friday

Members of the Women's Literary Club opened the new club year Friday with a luncheon at the Cliff House in Stamford. The Mesquite District President, Mrs. R. W. Herren of Haskell was the speaker.

Mrs. Donley Williams, chairman of the yearbook committee, was program director. Others of the committee assisting her with luncheon arrangements were Mmes. Holly Toller, R. D. Moore, and John D. Ferguson.

Mrs. Tarlton Willingham gave the invocation. Mrs. C. T. Murrell, club president, introduced Mrs. Herren.

Focus on Federation was the theme for the district president's talk. She spoke on the various divisions of Federation and also presented a brief outline of plans for the District Convention to be held in Haskell March 20.

Mrs. W. L. Hunter Jr. introduced new members, Mmes. Royce Wamack and A. A. Wade.

Following the presentation of yearbooks and a discussion of the year's programs, the club was adjourned with the club collect.

First Baptist YWA Installs Officers

The Young Women's Auxiliary of the First Baptist Church met Sept. 30 in the home of Mrs. Lenard Hartley for the installation of officers by Mrs. Erma Wallace, Y. W. A. director.

Connie Jo Duncan, president, was installed along with the following officers: Caristy Wallace, vice president; Lynn Miller, secretary; Mary Lois Patterson, program chairman; Marolyn Reynolds, prayer chairman; Rose Lovell, community missions; Carolyn Reynolds, social chairman; Mary Margaret Turner, stewardship; Donna Pruitt, mission study; Elizabeth Cunningham, song leader; Mary Ann Elkins, pianist.

Mrs. Wallace stressed the importance of pulling together as she used the story of the people of Richmond, Virginia, pulling the rope around the statue of Gen. Robert E. Lee to get it into place.

During the business session the girls discussed going to Ridgecrest, North Carolina, for the Y. W. A. Conference next summer. They decided to work at jobs in the city and pool their earnings for the trip. The girls will do housework, baby sitting, car washing, yardwork or other odd jobs to earn money. One telephone number will be used to line up jobs for the girls. Anyone needing the girls may call SP 4-2318.

Mrs. S. L. Tate, Y. W. A. U. president, was a guest. Refreshments were served to 15 members. Mrs. Hartley gave the closing prayer.

FAIRVIEW NEWS

By MRS. ELMER JOINER

News out Fairview way is rd. very scarce this week, since all anyone has done is work and that isn't much news. All farmers are busy gathering cotton or getting their wheat land ready to sow. Some little wheat is up, that was planted early, and for grazing, where it found the moisture to come up is beyond imagination, but it stands there pretty and green. Cotton strips are running as fast as trailers can be emptied, gins are running around the clock, in fact with the beautiful weather, everyone is busy, and busy people don't have time to visit or entertain company.

Attendance was lower at midweek services than in a long time, we are hoping to see it come back up as soon as the main rush is over. We have been especially proud of our Wednesday night attendance, so let's don't let it sag.

Visitors in church Sunday night, coming with the Jack Wrights, were Mr. and Mrs. Bill Chapman and son, from Hamlin.

Sunday morning, everyone was pleasantly surprised, when Rev. Derrel Lewis and family arrived for a visit in Sunday School and church services. Being our recent pastor, it was good to see them. They now live in Lubbock and were visiting his parents, Mr. and Mrs. Johnny Lewis of Hamlin.

Mrs. Jack Wicker, Suzanne and Teena, visited Saturday afternoon with Mrs. Woodrow Goodwin and Linda, Sunday afternoon Linda spent the afternoon with Suzanne.

Mrs. Gaudie White, Abilene, visited a short while Sunday afternoon, with Mr. and Mrs. Elmer Joiner.

Mr. and Mrs. Joe Ford will accompany a granddaughter, Mr. and Mrs. Bobby Barnes, of Lamesa, to Arlington, this week, for a visit with their eldest son, Mr. and Mrs. Eudell

Mr. and Mrs. Clois Henry and children, of Snyder, flew over Sunday afternoon for a short visit with his parents, Mr. and Mrs. E. A. Henry.

Mr. and Mrs. Mel Jones are very busy getting their house in Hamlin ready to move in to, and they hope to come to move day before too long.

Mr. and Mrs. George Wainwright and family, of Hamlin, were visitors of Mr. and Mrs. Elmer Joiner Sunday afternoon.

Tips on Buying Eggs Given by County HD Agent

When you go to the grocery store, do you buy the biggest eggs you can find so you get the most for your money?

If you do, you may be making a mistake, says Mary Y. Newberry, Jones County Home Demonstration Agent.

There's more to an egg than its size. Quality, too, must be considered. Egg graders in the U. S. Department of Agriculture's Agricultural Marketing Service have special ratings for each of these factors.

The quality of a carton of eggs is grades U. S. Grade AA or Fresh Fancy Quality, U. S. Grade A, or U. S. Grade B. These quality grades depends upon shell characteristics, spread of the egg when broken, thickness of the white, and firmness and size of the yolk.

Sizes are based on weight alone. They include Jumbo, Extra Large, Large, Medium, Small, and Pee-wee. Most common are Extra Large eggs which weigh 27 ounces per dozen; Large eggs, which weigh 24 ounces; Mediums 21 ounces; and Small eggs, 18 ounces.

The next time you reach for a carton of eggs, remember that big eggs are not necessarily top quality nor small eggs of lower quality, reminds Mrs. Newberry.

NEIGHBOR..

Mr. and Mrs. Thomas E. Cudd are in Ardmore, Okla., where his mother, Mrs. J. B. Cudd, is hospitalized.

Accent on Health

J. E. PEAVY, M.D., Commissioner of Health

AUSTIN—"This world is now, and ever shall be an ever-living Fire," said Heracitus, an ancient Greek philosopher. This theory was refuted long ago, yet fire never ceases to demand man's respect. Fire, we know, can either serve or destroy man.

Everyone benefits from the heat of a flame. But paradoxically, 500 Texans unwittingly sacrifice their lives to fire each year. Seventy-seven percent of these lives are lost in the sanc-

tity of the home.

Last winter, while about ten million Texans warmed themselves by the fire, nearly 200 people died from fire mishaps.

With this in mind, October 6 through 12 is designated National Fire Prevention Week. It's a good time to look for and eliminate the fire hazards in your home.

Fire can start anywhere, but it usually originates in rooms housing the most activity. The living room and kitchen are each credited with 27 percent of home fire origins. Another 12 percent originate in bedrooms; 14 percent in closets and halls; 10 percent in basements.

To understand the anatomy of fire, think about these percentages. They are related to human activity.

It is people who doze in chairs and drop cigarettes under cushions to smoulder and kill hours later after the family is asleep. Kitchen stoves don't burn, but grease in an oven will — after someone has allowed it to accumulate.

Equipment in a house, especially electrical and heating, is often the source of heat necessary to start a fire.

To prepare heating appliances for winter use, bear these pointers in mind. Install furnaces, heaters and stoves including flues and vents — at proper distance from combustibles. Clean and inspect appliances periodically. Place portable room heaters well away from curtains, towel racks and bed clothing.

months is the gas man, who Your best friend in the fall will readily check you gas appliances before connecting them for winter use.

The charm of an open fireplace is irresistible on a cold wintry day. You can enjoy it without worry — if it's enclosed with screen.

Should one of the 1500 daily residential fires occur in your home, make sure your family knows "a way out." Formulate a family plan, allotting each member a secondary path of escape in case the customary one is blocked.

Slogan and motto of the State of Indiana is "Crossroad of America."

This is your Junior Fire Marshal watching
a fire hazard...

Do you sometimes smoke in bed, overload your home electrical system, forget to clear storage areas periodically, or commit other little oversights that can lead to big fires? Or do you try to eliminate fire hazards—always?

THIS IS FIRE PREVENTION WEEK

As local sponsors of the Hartford Insurance Group's Junior Fire Marshal program, we urge you never to be "fire" careless. Instead, we ask you to join your youngster, or your neighbor's, and millions of American boys and girls who are helping to snuff out fire hazards through the Junior Fire Marshal safety program. Do it this week, and all through the year.

SOUTHWESTERN BELL TELEPHONE COMPANY

Dallas chest surgeon. George H. W. Bush of Houston announced last month.

SHELL-DREDGING WRANGLE — A coastal region crisis is being claimed by the state's four largest shell-dredging firms.

Firms are Parker Brothers, Inc., W. H. Haden Company, Horton and Horton, and Bay Dredging Company.

State Parks and Wildlife Commission took under advisement their application to expand dredging activities in Galveston and Trinity bays.

Applicants claimed \$1,000,000 worth of industry and 10,000 jobs are threatened by an acute shortage of oyster shell in authorized areas. Dredgers supply shell to roadbuilding and concrete industries, as well as chemical, paper and other manufacturing firms in the state.

Oyster fishermen, sports fishermen and conservationists also were on hand during the two-day hearing. They claim that they would face a crisis if shell dredging areas are expanded in the two bays. Commercial fishermen, who produced 64 per cent of the 1962 oyster crop in Galveston Bay, claimed they would be run out of business. Sportsmen said destruction of live oyster reefs, oar reefs which can be revitalized, would destroy every natural attraction in the bays.

Both sides feel that the application fight is a life-or-death situation... either for the shell-dredgers or for the oyster men and the vast sporting industry on the upper Gulf Coast.

CATTLE KILLER — Agriculture Commissioner John White warned Texas farmers against the "deadly danger" of letting livestock graze in fields which have been defoliated by the use of certain cotton chemicals. Warning came after a Breckenridge farmer lost more than half his herd of cattle from the effects of arsenic poison.

White urged farmers to seek full information on the effects of any chemical before applying it to their fields.

OIL INDUSTRY WOES — The Texas oil industry is in a three-way bind, Governor Connally told the Texas Independent Producers and Royalty Owners Association. Stabilization of foreign imports would strengthen the troubled industry, he said, but Texas oil is losing markets to other states and to natural gas. TIPO backed legislation to require pooling of small tract oil and gas leases for operational purposes. Connally went to Washington to ask Secretary of Interior Stewart Udall for more import controls.

OLD-AGE HEALTH PLAN UNDERWAY — Fifty-three insurance companies have joined the statewide coop, authorized to write health insurance for citizens over age 65. Among the first senior citizens to sign up for insurance were Gov. John Connally's mother and father-in-law, Mrs. J. B. Connally of Floresville and Arno Brill of Austin.

The voluntary health insurance plan is available to all those 65 and older, regardless of their health condition. Plan was authorized by the 58th Legislature.

BUDGETMAKERS BALK — Legislative Budget Board declined to give its immediate consent to a new \$1,000,000

conference center building at the University of Texas. Members said they feared Governor Connally might red-line the item.

Board approved additional outlays for new high speed data processing equipment for the State Highway Department and a study to determine future needs of all agencies for such equipment.

Board Director Vernon McGee warned of an approaching revenue problem. He said: "careful studies of smoking results might drastically cut tobacco tax income."

EDUCATION FUNDS NEEDED — The Committee of Governing Boards of State Colleges and Universities estimated \$15,000,000 more will be needed by Texas' 20 tax-supported colleges and universities this fiscal period to keep up with the natural pattern of teaching salaries, libraries and research.

Committee will work with the Governor's study committee and the Texas Commission of Higher Education to blueprint educational growth. Governor Connally told the college board members they should take a searching look at their own schools to see if all programs are necessary.

HAPPY WITH PARKS GIFT — Land Commissioner Jerry Sadler applauded the gift of 3,000 acres of lake property in Jefferson County to the State Parks and Wildlife Department. Gift was from the J. L. C. McFaddin Estate. He withdrew an old request to the Attorney General to push a State claim to the acreage. Sadler predicted the waters will be developed into a "sportsman's paradise."

COURTS SPEAK — Vending machine operators selling items which cost less than 25 cents each have to pay sales tax on their take, the Supreme Court ruled. However, the Legislature now has adopted amendments to exempt vending machines, newspapers and merchants with majority of sales less than 25c.

The Supreme Court ordered the state to pay back to four utilities companies in Houston, Corpus Christi, Shreveport and Abilene \$355,000 plus interest in franchise taxes. It found the corporations were exempt from paying the tax on sums kept in reserve to pay deferred federal income taxes.

The high court heard new arguments over constitutionality of the 1961 dedicated reserve gas tax.

HUNTING LEASE LOTTERY — Sportsmen will cast lots for the right to hunt game on six State preserves. Applications, available from State Parks and Wildlife Department, must be returned before October 31. Winners of the drawing will be notified a few days thereafter.

Preserves open for the hunt include Kerr Wildlife Management Area, Sierra Diablo area

in Culberson County; Gene Hove area in Hemphill County; Angelina area in Sabine and Cherokee counties; Black Gap area in Brewster County; and Engeling area in Anderson County.

TRUCK DRIVERS COMPLIMENTED — R. L. Atwell Jr. of Houston says Texas truckers have an excellent safety record because "we live with safety. Stephens, Shackelford, East-we breathe it, we think it all day and dream about it at night."

That's why the Texas Truck driver is known and recognized as the safest man on the highway, the TMTA director stated.

His remarks were made at an Austin meeting of the Texas Council of Safety Supervisors and the Oil Field Haulers Council of Safety Supervisors.

Atwell's own operation, Coastal Transport Company, Inc., is a leader in the field of safety. Coastal has won national awards for accident-free operation.

SHORT SNORTS — Shipping by the State Library of Braille books, an "Talking books" for blind people reached all-time highs in September.

Winfrey, state Librarian.

Bureau of Business Research statisticians are conducting a detailed study of seasonally-adjusted indexes of Texas business activity, with an eye to determining whether the 30-month upward climb on the business barometer has run its course.

The Railroad Commission ordered oil field line pits in Stephens, Shackelford, Eastland and Callahan counties be abandoned by March 1.

Lee Thomas was promoted to general counsel of Texas Employment Commission to succeed C. M. Turlington of Marbach, who resigned.

Texas aeronautics Commission's 14th annual "Fly-A-Thon" covered a 34-city and 3,000 mile tour of the state.

State Highway Department is offering a free 16-page calendar of 48 events that are scheduled for Texas towns during the Fall and Winter months.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN, Tex. — President John F. Kennedy is coming to Texas around November 22 to help lift the 1964 Democratic presidential campaign off the launching pad in this state.

As early as he is, the President appears to be somewhat behind the political timetable of Texas.

Gov. John Connally, who announced the President's visit, called in nearly 50 of his top supporters to begin getting his own campaign organization in shape.

Republicans also summoned key local leaders to Austin for a "leadership conference."

They pow-wowed over finances, talked up their talent scouting for candidates and began organizing a drive to register 90,000 new members of the GOP.

The Republicans picked up another candidate for the U. S. Senate, Dr. Milton V. Davis,

Hamlin Stage Band Plays for West Texas Talent Show

The Hamlin High School Stage Band, under the direction of Tim Jones, provided concert and background music for the West Texas Amateur Hour presented by the Optimist Club at the Abilene High School Auditorium Tuesday evening.

The group played an opening concert and then played the musical background for the acts. The band did not compete in the show.

Members making the trip were Freddie Shave, Carolyn Reynolds, Jack Townley, Mary Margaret Turner, Carolyn Reynolds, Nick Moore, Gary Caudle, Randy Smith, Dennis Weaver, Gary Jay, Ginger Kidd, Diane Bond, Teresa Jossey, Butch Holland, Judy Fitzgerald, Terry Carter, David Drummond and Ronnie Sipe.

Some 35 persons from Hamlin were among the seven hundred spectators at the first of a series of Optimist Club Amateur Hours.

New officers will be elected at the next quarterly meeting which will be held at Aspermont.

'Great Escape' To Open at Rogue

A faithful film re-enactment of the greatest mass escape from a military prison in the annals of warfare, the famed actual break from Germany's maximum security camp, the notorious Stalag III by 76 allied airmen during World War II, is the subject of the Mirisch Alpha presentation, "The Great Escape" in Color by DeLuxe and Panavision, opening Sunday at the Rogue Theatre.

Based upon the non-fiction best seller by Paul Brickhill, who was a participant in the break, and filmed under the close supervision of C. Wallace Floody, now a Toronto businessman but who was one of the guiding geniuses of the original enterprise, this United Artists release literally has a cast of thousands, headed by Steve McQueen, James Garner and Richard Attenborough.

Stalag III, Floody pointed out to John Sturges, producer and director of "The Great Escape," was created by Germany as a last "get tough" measure for allied airmen after scores of other prisons but raised havoc with German security and communications behind the lines.

While it was still a territory, women in Wyoming were given the right to vote.

Dwayne Miller New Junior RA Prexy

The Junior Royal Ambassadors of the First Baptist Church elected officers at the regular meeting Monday at 4 p.m.

Dwayne Miller was elected president; Darrell Craig, vice-president; and David Riddell, recorder.

The group meets every Monday afternoon at the church with S. L. Tate Jr. as counselor.

Natural Lure Selector

If you, as a fly fisherman, are uncertain which lure to use at a particular place, on a given day, hang several pieces of fly paper overnight near the water you are to fish.

Next morning examine the bugs stuck to the paper and select a lure closely resembling the live bugs.

To Blaze A Trail

Trail-blazing trees with a hand axe is arduous work. Also it may injure valuable trees.

A new and better way to mark your trail through the woods is to carry a small pressure can of orange-colored luminous paint. Mark the trees, as you walk, by squirting a spot of bright paint on them.

This not only doesn't injure the tree, but the luminous paint easily can be seen during the day. Furthermore it will glow brightly in a flashlight beam at night.

When Tying Flies

Amateur fly-tiers can speed up production by slipping a small mirror under the fly vise. This enables you to see the under side of the fly.

It also makes the fly-tying more professional-looking.

NEINDA PHILOSOPHER HAS A HARD TIME WITH THE PROBLEM OF SELLING WHEAT TO RUSSIA

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One faces up to a difficult international problem this week.

Dear editor:

There are some international problems I'd just as soon not have to solve.

For example take wheat.

As I understand it, the Russians are trying to buy a lot of surplus wheat from the United States. I guess in order to get enough strength to handle the shovels they're planning on burying us with, and the offer, especially since it men-

tions cash in advance, is troublesome to answer.

One side says no, don't sell these Communists anything. The other side says why not, we got all this surplus wheat staring us in the face and costing us money to store and if Russia doesn't buy it from us

she'll buy from Canada or some other country, so why not take the money and spend it on defense or apply it on the national debt if it's not unconstitutional to reduce it.

It's that cash-in-advance angle that makes this a hard problem to answer. If she wanted to borrow some wheat, or buy it on credit, any Congressman could give you this answer, but cash on the barrel head... this is a question that requires judicious debate.

It stumps me, I don't have the answer, but I think I can tell you what we'll do. We'll sell.

Human nature is hard to control. I've never yet seen a prohibitionist lumberman who wouldn't sell material to build a bar if he got the cash, a reactionary insurance man who wouldn't sell insurance to a

Football Receipts Near \$3,000 Mark

Hamlin football receipts for the first four weeks of the season near \$3,000 mark according to a report this week by School Superintendent C. F. Cook. This includes a B game and a junior high game.

The receipts by game were Rotan, \$708.15; Colorado City B, \$45.00; Childress, \$192.80; Spur, \$947.80; Albany Junior High, \$103.25; Cisco, \$663.80.

liberal. Cash, like music, seems to be a universal language.

Personally, I don't have any wheat to sell, but if you hear of any country in the world wanting to buy some Johnson grass seed, let me know and I'll rattle with the problem.

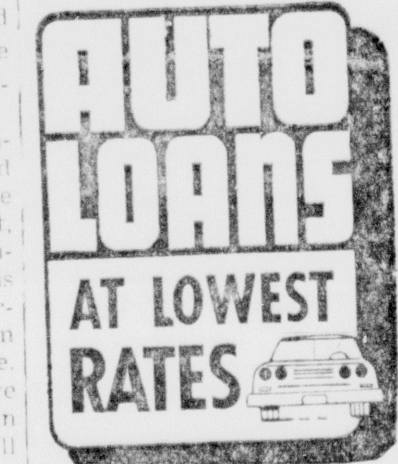

Yours faithfully,
J. A.
